

PRESIDENTS MESSAGE:

Welcome to the Kansas Federation of Republican Women (KFRW)! Since 1930, the KFRW has been instrumental in advancing women in the cause of good government. We have also been a member of the National Federation of Republican Women since 1938.

Our motto is R.E.D. – Recruit, Educate, Deploy. We **recruit** women to be a part of this outstanding organization because we know that we are the most effective when we work together. We **educate** so that members know our history and know the truth about the issues at hand. You must know the truth to speak the truth. We **deploy** by making things happen on the grassroots level to get republicans elected. We have dedicated thousands of hours to campaigns and other political activities on the local, state, and federal level.

Deeply rooted in our conservative republican values, we understand that to preserve our freedoms and God given rights, we must be intentional and engaged to preserve those them. As Ronald Reagan stated in 1961:

"Freedom is never more than one generation away from extinction. We didn't pass it on to our children in the bloodstream. **The only way they can inherit the freedom we have known is if we fight for it, protect it, defend it, and then hand it to them with the well-fought lessons of how they in their lifetime must do the same.** And if you and I don't do this, then you and I may well spend our sunset years telling our children and our children's children what it once was like in America when men were free."

If are interested in being on the front lines of preserving our freedoms, we would love to have you as part of the Kansas Federation of Republican Women. There is a place for you at our table.

Laurel Stiffler

President
