Dear KFRW Members, Associates, and Friends,

As we step into this new year, I am filled with immense pride and gratitude for each of you who make the Kansas Federation of Republican Women the powerful force it is today. Your dedication, passion, and unwavering commitment to our shared values continue to inspire me every single day.

This is our moment. The challenges and opportunities before us demand nothing less than our full engagement, and I know that together, we are more than ready to meet them. This year, we have set our sights on three critical priorities: **meaningful membership growth, comprehensive training for every member, and deeper engagement in our mission** to strengthen our party and our communities across Kansas.

Whether you're a longtime member or newly joining our ranks, there is a place for you in this organization. We need your ideas, your talents, and your passion. Let's come together ready to learn, ready to grow, and ready to make a difference.

I cannot wait to see what we will accomplish together this year. Let's make 2026 a year of unprecedented growth, empowerment, and impact for the Kansas Federation of Republican Women.

Let's make Kansas *Ruby Red* again!

With warm regards and great excitement,

Echo Van Meteren  
President, Kansas Federation of Republican Women
